EMERGENCY PROCEDURES

General First Aid is provided on Campus by appropriately trained members of the security team. They can be contacted by dialling 01206 872 125.

In the event of sudden illness or collapse please call 01206 872 222 and state your name, your location and the nature of the incident. Security will contact the appropriate service and give them the full details including your location. You should not dial 999 direct, as this can potentially delay the arrival of the emergency service. Security will also send a First Aider to the location to either administer first aid or provide support whilst waiting for the arrival of the emergency services.

Minor ailments and advice

For telephone advice regarding minor ailments, the NHS helpline can be contacted on 111.

Alternatively, you can visit the Colchester NHS Walk-In Centre located at the Colchester Primary Healthcare Centre, Turner Road, for advice and treatment of infections, rashes, stomach upsets or injuries such as cuts, strains, sprains, fractures and burns. The Walk-In Centre is open from 07.00 – 22.00 every day.

In an emergency, please contact Security on the emergency number 01206 872 222.

FIRE REGULATIONS

There is no fire exercise planned, so if the alarm goes off it's real.

If the fire alarms sound, without delay, leave the building, following the green and white signage and make your way to the nearest final exit, do not use the lifts. Please close doors behind you and assist anyone having difficulty. Congregate outside, well away from the building. All fire exits and escape routes are clearly marked. Nobody is to re-enter the building until instructed it is safe to do so. The alarm often stops sounding before it is safe. If you believe or see there is a fire and the alarms are not already sounding, please make your way to the nearest exit and activate a manual call point on the way out.

ADDRESS:

University of Essex
Wivenhoe Park
CO4 3SQ
Colchester
United Kingdom

TRAVELING BY CAR:

Colchester is just off the A12. From London and South Essex, take the Colchester (A133) exit. From Ipswich, take the Colchester (A1232) exit. Please follow roadside signage to our Colchester Campus, which is to the east of Colchester off the A133 and be aware that sat nav directions using our postcode can be misleading, therefore use the following postcode **CO7 9HT**

When you find your way to our main entrance take the second road to your right and you will find the multi-deck car park (Car Park B)

If you are traveling to the conference by car, please email Jay James Jolanda.james@essex.ac.uk at least one week before the event and give your registration number and number of days attending and we will forward your details to the travel office. This will be sufficient to park at the University of Essex for free. Not doing so can result in a parking ticket.

Delegates staying at Wivenhoe House can park at the hotel without charge.

TRAVELING BY PUBLIC TRANSPORT

If you are travelling by train, be aware that there are three train stations in Colchester: Colchester Town (CET), Hythe (HYH) and Colchester North (COL), which is the main station. Locals also call this main train station 'Colchester North'. Another train station near to the University is Wivenhoe.

You can take a bus or taxi to the University from COL and Wivenhoe. If you take a taxi, make sure the taxi drops you off at South Towers (University of Essex) or if you are staying at Wivenhoe House, mention Wivenhoe House, and from there it's a short walk to the LTB building.

If you take a bus (87 and S1), you can get off at any of the 3 campus bus stops, but the nearest to the LTB building is the South Courts bus stop (*see bus stops on campus map page 8*)

The nearest train stations in walking distance (20/30 minutes) are Wivenhoe and Colchester Hythe.

TAXIS

Minicab	01206 – 544 444

TRAVELING BACK TO THE AIRPORT BY BUS

The National Express (bus) will bring you to Stansted or Heathrow and will leave in Colchester from East Hill (up the hill), near St James -The Great church (opposite Greyfriars). Several busses departing from the University can drop you off at that bus stop (or choose a taxi). You will need to book a ticket online for this service:
